Backwoods Home magazine

A UNIQUE AND LOYAL AUDIENCE

What is *Backwoods Home Magazine*?

Backwoods Home Magazine (BHM) is a print magazine published in Corvallis, Oregon and is made for people who have a desire to pursue a self-reliant lifestyle. As a quarterly 116-page homesteading magazine, *BHM* has seasonal articles on building, gardening, canning, cooking, alternative energy, livestock, foraging, and preparedness. In nearly every issue of *BHM*, there is one article on firearms and one on politics.

We are currently available both in print and on Kindle. All of our readers have one thing in common: They want to know about self-reliance, preparedness, **and the products and services that help them become self-reliant and prepared.**

IN EACH ISSUE

Backwoods Home Magazine delivers reliable information that helps readers make decisions on buying non-perishable food products, farming equipment, building tools and supplies, canning equipment, preparedness gear, and other items to help them live a better and more fulfilling country life.

Check out some of our regular features:

- **Self-reliance:** We are one of the country's leaders in promoting a self-sufficient lifestyle. Articles cover topics such as food preservation, starting your own business, harvesting wild foods and game, and protecting your family with firearms in times of trouble.
- **Homesteading:** Skills for both urban and rural homesteaders, including developing water sources, using and cooking with wood stoves, building homes and outbuildings, caring for livestock, and living off the grid.
- **Building:** How-to instructions on natural building including log, timber frame, straw bale, adobe, earth-sheltered, and cordwood homes; solar designs; energy-efficient appliances, and more.
- **Farm and garden:** Articles on the many benefits of growing and canning fruits and vegetables. Plus, information on how to compost, make organic fertilizers, and protect your garden from pests and predators.
- **Food and recipes:** A tried and true source for recipes that stand the test of time.
- **Preparedness:** Advice on being prepared for anything from a bad year in the garden to natural or man-made disasters.
- **Alternative energy:** Extensive coverage of the latest information on solar power for your home and everyday use, wood heat, wind power, biodiesel, and other renewable energy options.
- **Health:** Expert advice on emergency and do-it-yourself healthcare — from using herbal remedies to creating a custom medical kit.
- **Country living:** Inspiring articles that remind our readers of the simplicity and enjoyment that comes with living a country life.
