Backwoods Home magazine
practical ideas for self-reliant living

Media Kit
What is *Backwoods Home Magazine*?

*Backwoods Home Magazine (BHM)* is a print magazine published in Corvallis, Oregon and is made for people who have a desire to pursue a self-reliant lifestyle. As a quarterly 116-page homesteading magazine, *BHM* has seasonal articles on building, gardening, canning, cooking, alternative energy, livestock, foraging, and preparedness. In nearly every issue of *BHM*, there is one article on firearms and one on politics.

We are currently available both in print and on Kindle. All of our readers have one thing in common: They want to know about self-reliance, preparedness, and the products and services that help them become self-reliant and prepared.

Why advertise with us?

Over the last 34+ years, we have attained tens of thousands of loyal subscribers who view us as an extension of their family. They look to us for products and services that will make their journey to self-sufficiency an easier one.

---

Check out some of our regular features:

- **Self-reliance:** We are one of the country’s leaders in promoting a self-sufficient lifestyle. Articles cover topics such as food preservation, starting your own business, harvesting wild foods and game, and protecting your family with firearms in times of trouble.

- **Homesteading:** Skills for both urban and rural homesteaders, including developing water sources, using and cooking with wood stoves, building homes and outbuildings, caring for livestock, and living off the grid.

- **Building:** How-to instructions on natural building including log, timber frame, straw bale, adobe, earth-sheltered, and cordwood homes; solar designs; energy-efficient appliances, and more.

- **Farm and garden:** Articles on the many benefits of growing and canning fruits and vegetables. Plus, information on how to compost, make organic fertilizers, and protect your garden from pests and predators.

- **Food and recipes:** A tried and true source for recipes that stand the test of time.

- **Preparedness:** Advice on being prepared for anything from a bad year in the garden to natural or man-made disasters.

- **Alternative energy:** Extensive coverage of the latest information on solar power for your home and everyday use, wood heat, wind power, biodiesel, and other renewable energy options.

- **Health:** Expert advice on emergency and do-it-yourself healthcare — from using herbal remedies to creating a custom medical kit.

- **Country living:** Inspiring articles that remind our readers of the simplicity and enjoyment that comes with living a country life.
